1. CHS Teachers will complete their course recommendations this week

2. All teacher recommendations are for core courses and become a course “request”

3. You can access these recommendations within Infinite Campus

- Online course registration will open Friday, February 10th and be available through Monday, February 20th
What if I don’t agree with a teacher’s recommendation??

- Once this recommendation is entered you have two ways to change it:
  1. discuss with the teacher and if he/she is comfortable with the change, he/she will change or
  2. complete an “override form” which is available in guidance
