FORWARD

This student handbook was developed to answer many of the commonly asked questions that you and your parents may have during the school year and to provide specific information about certain Board policies and procedures. Please take time to become familiar with the important information contained in this handbook and keep the handbook available for frequent reference to you and your parents. If you have any questions that are not addressed in this handbook, you are encouraged to talk to your teachers or the building principal. This handbook replaces all prior handbooks and other written material on the same subjects. This handbook does not equate to an irrevocable contractual commitment to the student, but only reflects the current status of the Board's policies and the school rules at the time of Board adoption. If any of the rules or administrative guidelines herein are referenced after the date of Board adoption, the language of the most current policy or administrative guideline prevails. Copies of current Board policies and administrative guidelines are available from the building principal and on the district's web site.

STUDENT RESPONSIBILITIES

The school's rules and procedures are designed to allow students to be educated in a safe and orderly environment. All students are expected to follow staff members' directions and obey all school rules. Students must arrive at school on time, prepared to learn and participate. If, for some reason, this is not possible, the student or parent/guardian should contact the school. Parents are encouraged to build a two-way link with their child's teacher and support staff by informing the staff of suggestions or concerns that may help their child better accomplish his/her educational goals.

WELCOME TO CHARDON LOCAL SCHOOLS!

This information provides an easy way for you to become familiar with the rules that every student is expected to follow. Read these rules and school policies and share them with your parents. Knowing what is expected of you will help you get along with your teachers and classmates. We wish you a successful school year.

GENERAL INFORMATION

Chardon High School Procedures and Guidelines

ABSENCE FROM SCHOOL AND ATTENDANCE - Regular attendance and promptness to class are necessary for the continuity of learning and the development of good habits. The following are considered legitimate absences from school: personal illness, illness in the family, quarantine of the home, religious holiday, legal obligation, medical appointment, death of a relative, or emergency circumstances which, in the judgment of school authorities, constitute sufficient cause for absence. Doctor's notes may be requested by school authorities if a student accumulates excessive absences. The county truancy officer will be contacted in the event of excessive absences. **Parents must call the school when children are absent.** State law requires that the parent be contacted at home or work if the school is not called. An unexcused absence will be treated as a truancy offense and dealt with accordingly. **Please call the high school at 440.285.4057 (press #1) prior to 9:00 a.m.** to report absences. This is available 24 hours a day.

The following are considered excused:

- personal illness
- illness in family
- death of a relative
- quarantine for contagious disease
- observance of religious holidays
- circumstances, which in the judgment of the superintendent of designee, constitute a sufficient cause for absence

Absences for any reason not listed above, are considered unexcused.

R.C 3321-01 etc. seq., 3321.13(B), 3321.19 3321.38, 3331.05

A.C. 3301-35-03(G), 3301-47-01, 3301-51-13.

It is our school policy to inform parents via a letter when a child misses 5 or more days of school or whose tardies become excessive. It may become necessary to contact the Geauga County Attendance Coordinator for 6 consecutive absences or 11 absences in non-consecutive days.

ATTENDANCE AND ABSENCES - The State Board of Education has adopted regulations governing excuses for future school attendance and past absences from school attendance within the framework of the Ohio Revised Code. These rules and regulations are binding upon the authorities empowered to issue excuses from school attendance. The following, taken from the Ohio Revised Code, indicate the regulations governing excuses for past absences from school.

The explanation of each past absence shall be made by the parent to the Superintendent of Schools or his designee to approve or disapprove past absences. An excuse for absence from school may be approved on the basis of one or more of the following:

Personal illness: The approving authority may require the certificate of a physician if he/she deems it advisable; illness in the family; quarantine of the home; death of a relative; work at home (due to absence of parent); observance of a religious holiday; an emergency or set of circumstances which under the judgment of the schools constitutes a good, sufficient cause for absence from school.

Absences are defined as "anytime a student is not physically present in the building or his/her assigned area (class, study hall, etc.)." All students are expected to be in assigned classes every day. Since a student's success in completing a class depends largely on classroom information, participation and discussion, it stands to reason that failure to attend classes regularly may result in failure to pass the class and receive credit.

Dropout Legislation Enacted - Effective May 2, 1990, Ohio superintendents will be required to notify the Registrar of Motor Vehicles when a student drops out of school. Once notified, driving privileges will be suspended or denied until the student becomes 18 years of age, returns to school, receives a GED Certificate, or the privileges are otherwise restored. The Geauga County Attendance Officer will be informed by Chardon High School regarding such withdrawals; so the appropriate state officials can be notified.

CLSD ATTENDANCE - Philosophy - The educational program offered to our students is predicated upon the presence of students in class on a daily basis. The intent of this attendance procedure places a priority on compulsory school attendance and encourages students to establish good attendance habits. This procedure places a priority on student attendance, improve parental notification, improve communication between school and home, provide for an appeal process, and encourage students with poor attendance to improve and gain from the learning opportunities made available to them. A student shall not be absent for MORE THAN ten/twenty (10)/(20) school days and/or periods in a semester/year and still receive credit for the class or classes. Students enrolled at Auburn Career Center are considered full-time Chardon High School students; therefore, their attendance in both programs is paramount to their success. It is expected that a student attend both parts of the school day, half-day at C.H.S. and half-day at A.C.C. Students who fail to attend C.H.S. for their required classes will be considered absent for a full day of school for purposes of our attendance policy. Days served in out-of-school suspension will be counted toward the ten/twenty day limitation. **Progressive discipline starts with Saturday School.**

Exempt vs. Not Exempt

1. Days/classes missed due to the following shall be considered exempt:
 - a. **Pre-approved field trips**
 - b. **College visitations** (LIMIT of 3 per year; student MUST return with written verification from a college/university official that they were there for a visitation)
 - c. **A sudden illness** (with written confirmation from the doctor that the student was under their care)
 - d. **Court appearances** will not count towards the ten/twenty day limitation (Court appearances for violating the law will NOT be exempt.)
 - e. **Guidance Department Group meetings** (with pre-approved teacher permission) and
 - f. **Funeral(s) of relative(s).**
2. All other absences, excused or unexcused, shall not be exempt and will count towards the semester total of ten (10) days or year total of twenty (20) days.
3. **Any student arriving past the halfway point of the period will be marked "absent for that period" rather than "tardy".**

Documenting Class Absences Procedure

When a parent determines that their son/daughter requires a doctor appointment during schools hours, the student shall present an appointment note to the attendance office within thirty (30) days of his/her return to school. All appointment notes shall be signed by the doctor or doctor designee.

The office with the assistance from the student's teacher (s) will notify the parents and the student of the procedure and the number of absences as the student reaches five (5) and ten (10) absences in a semester class. In a year-long course, notification shall occur when a student reaches eight (8), fifteen (15), and twenty (20) absences. A copy of this notification shall be maintained in the office.

A student who is absent MORE THAN ten/twenty (10)/(20) school days during a semester/year **shall not receive credit for the subject and an F will be recorded as the final grade for the course.** A student who is notified that he/she will not receive credit for a class or subject area will continue to attend the classes and perform the work required in the class or classes.

A student who is absent MORE THAN ten/twenty (10)/(20) school days during the semester/year shall: (1) receive notification from the assistant principal (or designee) stating that the student will not receive credit for the class and (2) state the number of absences missed per date.

A student who is notified that he/she has missed MORE THAN ten/twenty (10)/(20) days and that credit will be withheld may appeal the decision. The appeal shall be completed in writing on an approved appeal form provided by the attendance office. All student appeals shall go before the Attendance Appeals Board. The Attendance Appeals Board may consist of a building administrator, guidance counselor, and one (1) teacher. All members shall be selected by the building principal. Parents must attend the appeal hearing. The intent of the appeal hearing is to provide the student the opportunity to present evidence or explain the circumstances of his/her absence so additional days could possibly be granted. The Attendance Appeals Board may grant additional days by a majority vote of the members. The student who has been notified that he/she will not receive credit for a class or subject area must complete a request for a hearing within five (5) school days of the date of the letter. **All appeals will be scheduled at the end of the semester.**

Absence from School

Parents are asked to call the Chardon High School Attendance number: 440.285.4057 (Press 1) before 9:00 AM the day their son or daughter is absent. This is a 24-hour attendance line. Please include the child's name, grade, reason for absence, and duration of the absence. If a parent call is not received by 10:00 AM the day of the absence, the parent(s) will be contacted at home or work to verify the student's absence.

Within thirty (30) days of their return, students must bring in a note from a doctor or the doctor designee or have a parent call to explain the absence. If a note is not brought in by the 31st day, the absence will be permanently recorded as unexcused and the student will be disciplined appropriately. If a student returns to school during the school day, he/she is to report to Main Office to get the appropriate absence slip.

It is the responsibility of students to obtain from their teachers information on any work they have missed during an absence and to make up that work.

Anticipated Absences

If a student knows of an absence in advance, he/she must obtain an anticipated absence form (A.A. Form) in the Student Services Office. The form must be signed by the student and his/her teachers, a parent or guardian and an administrator. The completed form must be turned into Student Services prior to the anticipated absence.

If a student knows of an absence in advance, he/she is expected to have all assignments completed upon his/her return. It is the responsibility of the student to secure permission from an administrator (A.A. Form); obtain his/her assignments from his/her teachers; and be prepared for any previously announced tests/quizzes that were administered during their anticipated absence before leaving.

Absence from Appointments during a School Day

Notes are to be dropped off in the Student Services Office between 7:00 AM and 7:25 AM. Notes are to include a phone number where the parent can be reached. **If the appointment is after 9:00 AM**, students are to pick up the pass between classes any time after 9:00 AM. (This is not an excuse to be tardy to class.) **If the appointment is before 9:00 AM**, students are to wait and get the exit pass before going to first period. Students **MUST** pick up exit passes before the period of the class from which they are to be dismissed.

MINIMUM SCHOOL-DAY ATTENDANCE POLICY

"Minimum attendance at school" shall be defined as "complete attendance at one half the number of periods in the day that is 3.5 hours." Students who miss more than three and one-half hours of school on any given school day shall be counted as absent for that school day. This includes arriving at school late or leaving school early.

ATTENDANCE POLICY FOR CO-CURRICULAR ACTIVITIES

Students planning to attend or participate in a school sponsored after school or evening activity must be in attendance at school on the day the activity takes place as described in the Minimum School-Day Attendance Policy. Absence from classes due to illness will necessarily exclude a student from co-curricular participation and/or attendance. This policy includes attendance at athletic events, dramatic performances, club meetings, banquets, vocal and instrumental music programs and school-sponsored dances.

ACADEMIC INTEGRITY - Cheating/Plagiarism – Aristotle may have said it best, "Dignity does not consist in possessing honors, but in deserving them." When students cheat they only cheat themselves. Cheating keeps the students from learning at a critical point: When the material is challenging and time consuming. By cheating, the student is denied the opportunity to learn the material, to be challenged with an assignment or concept, and to master it.

The education of each student is important to teachers, parents and the community. It should also be important to you, the student! Cheating, plagiarism, or copying homework all stand in the way of your obtaining the education you need and deserve. Your teachers are glad to help when you do not understand the material, or are having difficulty with mastery. It is your education. You are the one who must master the concepts and learn the material. Mastery cannot be accomplished if you cheat.

At Chardon High School cheating and plagiarism are two of the most serious offenses against the educational goals of our students. Therefore, the following policy has been adopted. To help you the student, understand what cheating is and how it is defined, the subsequent definition is presented.

Definition of Cheating and Plagiarism – Cheating and plagiarizing involves any of the following actions:

1. Using another person's work as your own; not limited to taking from an individual's electronic identity or personal electronic files.
2. Copying another's homework, test, examination, theme, report, term paper or downloading material from the Internet.
3. Preparing to cheat in advance of a quiz, exam, or in-class writing with such things as:
 - a. Having in your possession a copy of the test to be given by the teacher.
 - b. Using unauthorized notes, electronics, references, or devices during the test, exam, or written essay.
 - c. Talking or communicating in any way while taking quizzes, tests, or examinations.
4. Plagiarizing means to use as your own any other person's idea, expression, or words without giving the original author credit.

Plagiarism is "academic theft." It is the representation of someone else's ideas as your own (e.g., copying text word for word without using quotation marks). The use of reputable sources in certain papers or projects is a sign of scholarship. However, if those sources are not acknowledged in an in-text citation, a footnote, an endnote, or a bibliography, the result is plagiarism. Sources include, but are not limited to, books, encyclopedias, reference works, magazines, newspapers, online services, electronic resources, audio and videotapes. All of these sources of information must be acknowledged. Plagiarism will be viewed as a violation of the Student Discipline Code, Rule #7.

Dishonesty is defined as looking at someone else's paper, leaving notes out where they can be seen, using mini cheat-sheets, writing answers on desks or body parts before the test begins, and giving or receiving answers electronically. In both situations, plagiarism and academic dishonesty, all students involved will receive a zero for the assignment in addition to progressive discipline for the calendar year.

If you are caught cheating or plagiarizing, the following will occur:

1st offense: Zero credit; parent notified by teacher.

2nd offense: Zero Credit, Saturday School; parents notified by Teacher; Student/Parent conference with (teacher/admin).

3rd offense: Zero credit, (1) day suspension; parents notified.

There may be times when further action, by the administration, may be required as by rule #7, or #21. Repeated acts of cheating and plagiarizing may deny the student access to any and all academic honors and awards.

ACADEMIC RECOGNITION

Requirements are as follows:

Honor Roll	3.5 GPA or higher
Merit Roll	3.0 to 3.49 GPA

ARRIVAL & DISMISSAL

ARRIVAL - Students are expected to arrive at school on time and be seated in class by 7:30 am. **If a student is tardy to school, s/he is to report to the office with a note explaining the tardiness. Those students with early morning appointments who arrive late to school must bring verification of the appointment from the doctor.** After signing in at the office, the student will report to class. All tardies will be recorded regardless of reason, with the exception of late bus arrivals or severe weather that causes a delay in attendance. Parents who drive students to school are responsible for their promptness. Drivers must make time adjustments to accommodate traffic delays and road conditions. Consequences will be given to the student regardless of the parent's involvement in the tardiness (see Rule #9).

A reasonable amount of time is allotted for students to travel from one class to the next. Students should be in their seats when the bell rings. Class tardies will be handled according to each teacher or building policy.

DISMISSAL - There are occasions when a student must leave school early for a medical appointment or some other business which cannot be scheduled outside the school day. When such an occasion occurs, the student **must bring a note** from home explaining the reason for the early dismissal and the time that the student will be picked up. **The student should take the early dismissal note to the office before classes begin.** When the student leaves the building, s/he must be signed out by a school official.

Early dismissals cannot be handled by phone - they must be in writing.

ATHLETIC/CO-CURRICULAR ELIGIBILITY - Students involved in **interscholastic athletics and co-curricular activities** must be enrolled in five full value courses, maintain a minimum of a 1.5 GPA and not receive a grade of F in a course each (9) nine week grading period in order to maintain eligibility, practice, and/or participate. Eligibility for athletic competition is determined by academic performance the preceding grading period. Summer school grades cannot be used to substitute for failing grades received the final grading period of the regular school year. For more information, please see the Chardon Local School District Board of Education Athletic Handbook.

Expectations of Athletes

- All athletes will abide by training rules as set forth in the athletic handbook.
- Athletes who miss practice the day before a contest are not permitted to play in that contest.
- Athletes are expected to conduct themselves in a manner which will positively reflect on themselves, the team, the school and the community.
- Athletes are expected to be in school all day when an athletic contest is scheduled. Absence for all or a part of the day of an athletic event may result in the athlete's not being able to participate.
- Athletes are expected to follow the procedures of academic and athletic re-entry pertaining to injuries. Doctor's/School clearance and protocols may be used.
- All athletes are expected to abide by the student code of conduct and the coaches' handbook of athletic conduct.

BLIZZARD BAGS – If the Chardon Local School District exceeds the allotted five (5) Calamity Days authorized in Ohio Revised Code 3313.48, the make-up plan known as “Blizzard Bags” will be in instituted. The lessons, which can made-up in exchange for three (3) days of instruction, can be found on the teacher’s Google Classroom/ Website/Infinite Campus on the day of a calamity day. If you do not have Internet access, please inform your child’s teacher so paper copies can be provided for you. Students who do not complete the lessons in the given time frame could receive an incomplete or failing grade, in addition to receiving an unexcused absence for the day that the Blizzard Bag is replacing.

BREAKFAST/VENDING

The cafeteria serves breakfast beginning at 7:00 AM until lunch. Once the school day has started, only students who are scheduled in study hall may use this service. Non-carbonated beverages may be purchased at any time of the school day. **No book- bags/ backpacks may enter the cafeteria service lines.**

BUILDING SECURITY – Our school is equipped with an electronic security system and interior and exterior cameras. All exterior doors are locked at all times. In order to gain access to the building, all visitors are expected to proceed directly to the school office to sign in and obtain a visitor’s pass and to sign out before leaving the building. Students proceed to their classroom/locker unassisted. While these security measures might present an occasional inconvenience, the safety of our children depends upon using this security system and monitoring visitors to the school.

BUS CONDUCT - Riding the school bus is a **privilege** that should not be taken lightly. For the safety and best interest of all students on the bus, transportation guidelines have been developed by the Chardon Schools Transportation Department. These guidelines are posted on the Chardon Schools website under transportation department. Failure to follow the rules established by the transportation department could lead to temporary or permanent loss of riding privileges.

CAFETERIA FSS POSITIVE ID SYSTEM

All Chardon Schools use FSS® POSITIVE ID System in their cafeterias. This technology allows us to provide debit accounts for purchases, and increases the speed of food service to students so they have more time to eat and converse. Parents enjoy the convenience of prepaying for their child’s purchases at whatever level they choose. The FSS® POSITIVE ID System also eliminates the overt identification of students who are eligible for free or reduced meal benefits. Parents can take advantage of our online services to include ACH payment options and viewing their child’s lunch purchases at myschoolaccount.com. The information stored on the FSS® POSITIVE ID System is only for use by this software in the Department of Food Service. **The identification of students is a PIN. The PIN number will match each student’s 6 digit student ID number (EMIS Number).** This number ensures unique identification and will avoid duplication of numbers for accounting purposes this number will allow access to purchasing on your child’s account, so please keep it confidential.

CALAMITY DAYS – Any events to occur will do so at the discretion of the superintendent. In the event of severe weather or other calamity necessitating the closing of school, a phone call will be made to the student’s primary contact person’s phone number and announcements will also be made on the district’s website, social media, local television and radio stations.

CLINIC

Chardon High School has a clinic staffed by a registered nurse. Prior to **7:30 AM** and after **2:00 PM** students **MUST** report to the Student Services Office before going to the clinic.

COLLEGE CREDIT PLUS (CCP)

College Credit Plus (CCP) replaces Ohio's Post-Secondary Enrollment Options program (PSEO) and all alternative dual enrollment programs previously governed by Ohio Revised Code Chapter 3365.

- Governor Kasich signed H.B. 487 into law on June 16, 2014.
- CCP program operational 2015/16 school year.
- CCP requires college enrollment during high school. College credit is transcribed upon student's successful completion of the course.
- Each participating Institution of Higher Education (IHE) must consistently apply its established admission standards. In conjunction with those standards and prior to making a final admission decision, the IHE shall evaluate the student against one of the standards identified in the "Uniform Statewide Standards for Remediation-Free Status."
- Each Year, Chardon Local School District will host a College Credit Plus meeting to inform parents and students of the opportunities available to them. This meeting will take place in February or March. Partnering Institutions of Higher Education will be invited to present at this meeting.
- Students must submit an intent form to Chardon High School guidance department prior to April 1st. More information can be accessed at <http://education.ohio.gov/Topics/Quality-School-Choice/College-Credit-Plus>

COURSE LEVEL CHANGE

If appropriate and possible, level changes (e.g., from Honors to Regular) will be evaluated only during the 1st semester with the teacher, parent, student and guidance counselor. If the level change is made, the in-progress grade transfers to the new class for that grading period calculation.

COURSE LOAD REQUIREMENTS: MINIMUM

Students are to be enrolled in **six (6)** credits during the school day. Other course credits are to be selected at the discretion of the student in conjunction with parents and the guidance counselor. **Students are encouraged to take as many courses as possible rather than being assigned to a study hall and thus attain more than the minimum requirement of 20 credits for graduation.**

COURSE WITHDRAWAL POLICY

If a student drops a semester course after six (6) weeks or a year-long course after ten (10) weeks, that student will receive an F for the semester/year course. The grade of F will be recorded on the transcript and on the report card for that quarter in which the drop occurred. If a student makes a level change (e.g., from Honors to Regular), the in-progress grade transfers to the new class for that grading period calculation.

DIPLOMA LEVELS

DRIVING TO SCHOOL

Driving to school and parking in the Chardon High School Student Parking Lot is a privilege granted to students who abide by the regulations that follow. The Student Parking Lot is located east of the high school, across Maple Avenue.

All student-driven motor vehicles must have a Chardon High School registration form on file and a parking sticker. The registration and sticker cost \$65.00 per year. All student parking permits are assigned by the administration. Between arrival and dismissal time, students are permitted to enter their vehicles only with administrative approval. A student's presence in the parking lot at other times constitutes being in an unauthorized area. Upon arriving, students MUST IMMEDIATELY ENTER THE SCHOOL BUILDING.

Failure to comply with any school regulations may result in loss of driving/parking privileges. Violations of city, village, county, state or federal traffic laws including, but not limited to, speeding, illegal parking and reckless driving will be referred to the proper authorities. Students are **NOT permitted** to park in the Staff Parking lots. Permits must be displayed with the permit number clearly visible.

Students can have their parking permit revoked without refund for any of the following occurrences (but not limited to) during the school year:

1. Any out of school suspensions,
2. Excessive tardies to school,
3. Driving in a manner that is perceived as reckless or unsafe by school personnel,
4. Loitering in the Student Parking Lot area,
5. Parking in Staff Parking

At the discretion of the administration, the gates to the parking lot may be closed. During this time no cars will be permitted to exit or enter the parking lot. Vehicles without a valid parking pass displayed prominently in the front windshield (driver's side lower corner), or parked illegally, may be towed at the owner's expense. All cars parked on Chardon Local School District Property are subject to search at any time. Chardon High School accepts no responsibility for theft or damage to vehicles or belongings left in the Student Parking Lot.

DUE PROCESS – Before a student is suspended, expelled, or permanently excluded from school, there are specific procedures that must be followed.

There are two facets to due process: substantive and procedural. Substantive due process provides for fair and reasonable treatment under the law in satisfying a person's due process rights; a student can expect to receive written notice of intent to suspend or expel and the reason(s) for such action. The student will be given the opportunity to explain his/her actions or challenge the reasons. Within twenty-four (24) hours after the time of a student's suspension, written notice of suspension will be sent to the Parent(s)/Guardian(s). The notice will specify the duration of the suspension and the reason(s) for the suspension, as well as the right and procedure to appeal. Prior to expulsion, the Superintendent will give the student and his/her Parent(s)/Guardian(s) written notice and provide an opportunity to appear to explain the student's actions or challenge the reason(s). The notice will include reason(s) for the possible expulsion and the time and place of the appeal hearing. Within twenty-four (24) hours after the time of the expulsion, the Superintendent will send written notice to the student and his/her parent(s)/guardian(s). The notice shall specify the duration of the expulsion and reason(s) for the expulsion. It shall also include notification of the right to appeal. As long as the in-school discipline is served entirely in the school setting, it will not require any notice or meeting, or be subject to appeal. Students with disabilities are entitled to the rights and procedures afforded by the Individuals with Disabilities Education Improvement Act (I.D.E.I.A.), and, where applicable, the Americans with Disabilities Act (A.D.A.), and/or Section 504 of the Rehabilitation Act of 1973. For further information, refer to Board of Education Policy JFA.

APPEAL PROCESS - A pupil or parent, guardian or custodian may appeal an expulsion or suspension to the Board of Education (in the case of an expulsion) or Superintendent (in the case of a suspension). The pupil may be represented in the appeal and shall be granted a hearing before the Superintendent or Board or a designee. At the request of the pupil or custodian or their representative, the Board may hold the hearing in executive session, but shall act upon the expulsion or suspension at a public meeting. The board may by a majority vote of its full membership or by the action of its designee, affirm the order of the suspension or expulsion or may reinstate such pupil or otherwise reverse, vacate, or modify the order of the action. No pupil shall be expelled or suspended from any school beyond eighty (80) days or 180 school days per board policy. No student may participate in any school activity or be on school grounds or observe an activity while under suspension or expulsion.

EARLY DISMISSAL

There are occasions when a student must leave school early for a medical appointment or some other business which cannot be scheduled outside the school day. When such an occasion occurs, the student must bring a note from home explaining the reason for the early dismissal and the time that the student will be picked up. The student should take the early dismissal note to the office before classes begin. When the student leaves the building, he must be signed out by a school official. Elementary students should take their early dismissal notes to their teachers; the parents of elementary students must go to the office to sign the student out at the time of dismissal.

EARLY GRADUATION

To graduate early, approval must be obtained by the second semester of the sophomore year. Procedural information is available in the guidance office.

EDUCATIONAL OPTIONS

The use of educational options is one method by which learning opportunities may be expanded beyond the classroom. A maximum of three (3) units of credit may be applied toward graduation. The options available at Chardon High School include the following:

Alternative Educational Institutions

Collegiate Study

Educational Travel

Independent Study

Mentor Program

Tutorial Program

Internet Program

Senior Project

Credit Flexibility

See your guidance counselor for current regulations and the application. Participation must be approved by the parent, student, guidance counselor and building principal.

ELECTRONIC DEVICES

Chardon High School acknowledges the purpose and importance of electronic devices. However, in order to protect the integrity of the teaching and learning process, all electronic devices, cell phones, and mobile communication devices are strictly regulated during the school day. Cell phones and mobile communication devices are not to be **seen or heard during class time**. Each teacher's syllabus specifies the procedures for students to use devices in the classroom. Failure to comply with this policy will lead to progressive discipline. ***If the situation arises in which a student needs to use their cell phone for any reason, they may do so with administrative permission and supervision. If a student feels ill at school, they must follow procedures and go to the nurse. Students cannot have parents call them out of school for personal illness without seeing the nurse.***

Electronic devices may be used during class at the discretion of the teacher. **Failure to follow the guidelines set by the individual teacher will result in progressive discipline.** Moreover, when the electronic device is being used in a class, it must NOT interfere with the learning process of the other students.

Progressive Discipline for electronic devices is set up per classroom. When the policy is abused, and sent to the administration, the administrator defines the discipline for the incident.

No student may, at any time, use a portable communication device in a manner that is profane, indecent, or obscene, or constitutes an invasion of privacy. Examples of this include, but are not limited to, photographs or text messages. They also may not be used in areas of privacy (i.e. restrooms, locker rooms, etc.)

The electronic devices policy is also enforced during Saturday School.

ENTRANCE/EXIT PROCEDURES

All students are to enter and exit the building using **ONLY** the front doors from the beginning of 1st period until the conclusion of the school day.

For the safety and security of all students and staff, students may not open the exterior doors at any time to admit a visitor or student into the building. Students who do so will be subject to disciplinary action.

FACILITY USE – Use of the school facility must be cleared with the appropriate supervisor/coordinator/director, who will in turn arrange with the building principal for any activity held in a school during the evening, over weekends, and/or during vacations.

FIELD TRIP POLICY - At Chardon High School, we realize the great value in alternate learning experiences and specifically in field trips. In order to learn any academic subject, one of the best ways is to have a hands-on experience. The subject then becomes clearer and more relevant to the student. He/she learns easily and without pressure because the knowledge becomes a part of his/her life. In addition, overnight trips provide the opportunity to learn the skill of living together with the students' peer group, and to experience living away from the home and the family. It is very obvious that these trips become a major responsibility for all those involved. First, and foremost, in all of our planning is the safety of all students. We feel it is necessary that these trips be viewed as a privilege for those students attending. It is imperative that due to the tremendous responsibility involved, students prove they will be able to handle themselves appropriately on such trips. Students with an excessive amount of office discipline referrals **could lose their privilege** of attending field trips. The decisions will be at the discretion of the administrators and staff. Additionally, truancy or excessive absence may disqualify a student. Parents will be notified by teachers prior to the possibility of their student being excluded from a field trip. It is our hope and expectation that this procedural decision does not exclude students but rather set a minimum level of expectation for daily behavior in school and as representatives of our student body.

GRADE DETERMINATION

The final grade for a course is determined by GPA:

- A -- 3.50 or above
- B -- 2.50 to 3.49
- C -- 1.50 to 2.49
- D -- 0.50 to 1.49

In order to pass any course a student must have attained each of the following:

1. Have a grade average 0.5 or above
2. Pass three out of five grades for a year-long course
3. Pass two out of three grades for a semester course
4. Pass one of the last 2 grades of the course (the fourth (4) nine weeks and the final exam)

On the day scheduled for each subject's midterm/final exam, the teacher will give a final test or conduct some other type of final assessment learning experience. Students are expected to attend their exam period unless prior arrangements are made and confirmed. Failure to do so will result in a failing grade on the midterm/final. The final exam/assessment will be weighted as 1/3 of the final grade for a semester course or 1/5 of the final grade for a year-long course. Teachers will record an Incomplete grade as an F if the student fails to make up the work by an agreed upon deadline.

GRADING POLICY

The Chardon Board of Education adopted the following grading scale for all students.

A	90 -100
B	80 - 89
C	70 - 79
D	60 – 69

INCOMPLETES

Incompletes recorded on report cards must be changed within three weeks after the grading period has ended unless prior arrangements have been made.

GRADE LEVEL CLASSIFICATION

The grade level and homeroom of each student will be determined by the following number of credits, which must be completed by the beginning of the fall term.

Sophomore	5
Junior	10
Senior	14

All courses are recognized in determining the grade level assignments.

Each quarter grade the following points are earned.

- 4 points for an A
- 3 points for a B
- 2 points for a C
- 1 point for a D

To determine the final course grade the points for each quarter and the final exam are added together and then averaged. The final grade for a course is determined by the average of the points earned.

GRADUATION TESTING

All students must earn 18 combined points on the End of Course exams. Students will be tested in ELA I (9th), ELA II (10th), Algebra I, (9th), Geometry (10th), Biology (10th), US History (10th), and Government (11th). Tests will be given in the spring with remediation in the fall and summer. Additionally, every student in the Class of 2018 and beyond will have the opportunity to take a nationally-recognized college admission exam free of charge in Grade 11.

All students taking these tests are encouraged to do their best as schools will be compared on the basis of these test results, and we at Chardon High School want to be proud of our performance.

GUIDANCE SERVICES

Guidance services include academics, career and personal counseling. We welcome students to meet with their counselor during a study hall. Students should not report to Guidance during a class unless they have a pass from that teacher. All students must sign in and out of the counseling office. Failure to sign in will result in a student having an unexcused absence from class or study hall.

HALL PASSES

In order to get the most out of the educational process, students are expected to remain in class. **Students in the hall without a pass (in the handbook or using a teacher's pass) are subject to a detention assigned by any faculty member or administrator.** NO STUDENT IS TO BE IN THE HALLWAY WITHOUT A PASS.

INDIVIDUALS WITH DISABILITIES – The Americans with Disabilities Act (ADA) and Section 504 of the Rehabilitation Act provide that no individual will be discriminated against on the basis of a disability. This protection applies not just to the student, but all individuals who have access to the District's programs and facilities. The Chardon Local School District provides a variety of Special Education programs and services for students identified as having a disability defined by the Individuals with Disabilities Education Act (IDEA). A student can access Special Education services through the proper evaluation procedure. Parent involvement in this procedure is required. More importantly, the school wants the parents to be active participants. To inquire about the procedure or programs, a parent should contact a school counselor at 440.285.4062. *Parents who believe their child may have a disability should contact the office at 440.285.4062.

INTERNET ACCEPTABLE USE POLICY (AUP)

The following is just a copy of the AUP. Policy is located on the parent portal that is reviewed/accepted at the beginning of each academic year.

Parents or Guardian: Please read the following permission form carefully!

This permission form is required for your child to use the school's access to the Internet, through the Chardon Local School District (CLSD). Each student and his or her legal guardian must sign this Acceptable Use Policy (AUP) after having read the document and agreeing to adhere to the document's content, when using a school Internet connection. Please read this entire application thoroughly! Students will have access to the Internet, an electronic highway connecting millions of computers all over the world and millions of individual subscribers. This user's agreement indicates acknowledgment and acceptance of the risks and regulations for computer and online use.

This is the communication medium of the twenty-first century; we in Chardon Schools are excited to provide Internet access to students. The educational resources now available to our students are impressive. With this access comes the availability of material that may not be of educational value in the context of the school setting. The CLSD discourages access to controversial materials; however, on a global network, it is impossible to control all materials and a user may discover controversial information. Please Note: A filtering system is operating on all servers accessing the Internet for CLSD. The valuable information and interaction available on the Internet far outweighs the possibility that users may procure controversial material. *We urge you to discuss these issues with your child!*

Students need to be aware that there is a consequence for inappropriate use of the Internet that will result in immediate loss of privileges, and future access to use the Internet through CLSD will be denied. Each student must be aware this does not give unlimited access privileges to the student. The student receives authorization to visit web sites related to, and in support of, the curriculum and educational assignments given to the student. Your signatures on this agreement indicate you and your child have read the terms and conditions carefully and agree to those terms and conditions.

TERMS AND CONDITIONS FOR OBTAINING INTERNET ACCESS

Obscene material, or material protected by trade secret. Commercial use of this account is prohibited.

2] Privileges – The use of the Internet is a privilege, not a right, and inappropriate use will result in a cancellation of those privileges. This network access to the Internet is designed for educational purposes consistent with educational objectives of the CLSD.

3] Network Guidelines – The student is expected to abide by the generally accepted rules of network etiquette. This includes, but is not limited to the following:

- *The system shall be used for purposes related to the CLSD educational objectives and in support of the academic program.*

- Use of the computer and/or network is not for financial gain or for any commercial or illegal activity.
- The administration reserves the right to monitor and/or restrict any computer activity and on-line communications for improper use.

4] Vandalism – Vandalism will result in cancellation of privileges and possible legal action. Vandalism includes uploading/ downloading any inappropriate or non-school related material, creating computer viruses and/or any malicious attempt to harm, alter or destroy equipment, materials or the data of any other user.

LOCKERS

Students are assigned lockers within which to store books, coats, etc. LOCKERS ARE, HOWEVER, PROPERTY OF THE BOARD OF EDUCATION ON “LOAN” TO STUDENTS. THEY ARE SUBJECT TO SEARCH BY SCHOOL AUTHORITIES AT ANY TIME DEEMED APPROPRIATE. Students are permitted to use only their assigned locker. To avoid problems with cleaning and appearance, all lockers are to be kept clean and orderly at all times. Lockers are not to be cluttered with junk, waste paper, permanent stickers, pictures, posters, etc. Any pictures/posters must be school appropriate. This includes no writing-on the inside or outside of lockers. Locker checks and clean out will be held as necessary during the school year. It is recommended that valuable articles not be brought to Chardon High School. Chardon High School should be responsible for such articles when left in lockers, classrooms, automobiles, etc.

Students should make sure that the school-issued locks are on their lockers and locked at all times, so the items in their lockers are secure. If a student in any way tampers with a lock, such an action will be dealt with as destruction of school property as covered under the disciplinary Code of Conduct.

As student population growth continues here at Chardon High School, the hallways will continue to become more crowded. **It is highly suggested that each student go to his/her locker only BEFORE SCHOOL, AT LUNCH, AND AFTER SCHOOL.** This will help minimize congestion in the hallways.

LUNCH

Lunch is served during Period 5 a, b, or c (On Red days lunch served 4 a, b or c). **EACH STUDENT IS ASSIGNED ONLY ONE LUNCH PERIOD PER DAY, AND ARE NOT TO BE IN THE CAFETERIA DURING OTHER LUNCH PERIODS.** To help provide a clean, safe, and healthful area for lunch, the following guidelines exist for lunch periods. Students may not leave the school grounds or building for lunch. Lunches may be purchased from the cafeteria or brought from home. Students may **NOT** have lunch delivered from a restaurant or an outside facility.

Students may not carry backpacks in the cafeteria lines.

Students are expected to leave tables clean and place all waste in proper containers. Students should remember that others use the tables after them and that picking up after themselves should be an accepted responsibility.

MAKE-UP WORK

Students who are absent for any excused reason will be required to make up work missed in each class. Students will be allowed to take as many days as the time of absence to make up the work missed. **However, lengthy assignments/projects for which students have been given an extended period of time to complete, will still be due on their original due date.** Work missed during unexcused tardies and/or unexcused absences may not be accepted for credit. Except in exceptional circumstances, all work must be completed by the end of the grading period. Parents may request homework assignments after a child has missed at least three days of school. If this request is made, however, it should be understood that the effort put into getting the assignment from the teachers and distributing it to the student will result in an expectation that the work is at least attempted by the student. It is, at all times, the responsibility of the student to request homework assignments from the teachers. It is not the responsibility of the teacher to see that the student gets the assignment.

NON-DISCRIMINATION

The school district affirms that no person shall, on the basis of sex, race, color, national origin, or handicap be excluded from participation in, be denied the benefits of, or be subjected to discrimination under any educational program or activity conducted under its auspices. This shall extend to employees therein and to admission thereto. Inquiries concerning the application of this policy may be referred to the superintendent or designated coordinator. This policy shall prevail in all Board policies concerning school employees and students.

The Board designates: Title VI Coordinator, Title IX Coordinator, Section 504 Coordinator

Complaints should be directed to:

Title VI (race, color, Nat. origin)

Title IX (gender)

Section 504 (disability)

PERMANENT LATE ARRIVAL/EARLY DISMISSAL

Permanent late arrival/early dismissals are granted with approval from the building assistant principal – students will be required to maintain a 3.25 quarterly GPA. Late arrival/early dismissals are only offered to juniors and seniors for periods 1 & 7. THE LATE ARRIVAL/EARLY DISMISSAL MAY BE REVOKED DUE TO POOR ATTENDANCE, EXCESSIVE TARDINESS, OR A DROP IN GRADES. Dismissal from our Freshmen Mentoring program will result in the loss of a permanent early dismissal or late arrival. Any abuse, falsification or termination of employment will result in the loss of the permanent early dismissal.

A permanent late arrival/early dismissal card will be issued to each student granted an early dismissal. Students are expected to leave the school building and the school grounds at the time of the early dismissal. Failure to leave the building or school grounds may result in the loss of the late arrival/early dismissal pass. Auburn Career Center seniors may request an early dismissal or late arrival from the assistant principal.

PHYSICAL EDUCATION WAIVER (OHSAA SPORTS)

A student may be excused/waived from the high school physical education requirement, who, during high school, has participated in interscholastic athletics, marching band (including auxiliary units), or cheerleading for at least two full seasons. This form must be turned in to the CHS Athletic Director or the CHS band Director prior to the beginning of the first season. The student is still required to complete one half (.5) unit elective consisting of at least sixty (60) hours of instruction, in another course of study.

POSTING SIGNS

All posted signs, personal or student activity-related, must have prior administrative approval before posting. The original sign must bear a school administrator's or school club advisor/coach's signature/stamp. It is the responsibility of the student or student activity to remove all posted signs the day after the event. **This includes locker decorations.** Any inappropriate locker decorations (this includes pictures) will be removed and destroyed. Personal signs cannot be duplicated using school copy machines.

RELIGIOUS OBSERVANCE - As within any public school, students have varied religious beliefs. Ohio Revised Code allows schools to excuse students for a religious observance. Please send a note to school if you wish your child to be excluded from activities, which may include the Pledge of Allegiance, etc. or if they will be absent due to a religious holiday. In your note, please indicate if you would like your child to participate in an alternative educational activity or if you prefer to pick them up for an excused dismissal from school.

REPORT CARDS

Report cards will be readily available to students (electronically) at the end of each grading period. Paper copies will be mailed home if requested. In addition, communications will be shared through Connect Ed that grades for the quarter are accessible for parent download.

SAFETY DRILLS

Periodic safety drills are required by Ohio law. Students are to respond immediately and quietly to staff directions. Instructions for evacuation are posted in each room. Setting off a false fire alarm or calling in a bomb threat to the school are transgressions which will be dealt with severely.

SALE OF ITEMS BY STUDENTS - Students are not allowed to sell any items to other students or staff members when the profits from the sale are directed to the student or some organization outside of the school. All items sold in the school must be approved by the school office. Disciplinary action will be taken against those students involved in unapproved sales.

SEARCHES

The District has responsibility for the control and management of students during the school day and hours of approved extracurricular activities. While discharging its responsibility, the administration is to make an effort to protect each student's rights with respect to interrogations by law enforcement officials. The administration has developed regulations to be followed in the case of searches and interrogations.

The right to inspect students' school lockers, car, and/or articles carried upon their persons and to interrogate an individual student is inherent in the authority granted school boards. All searches are conducted sparingly and only when such search is reasonably likely to produce tangible results. The goal is to preserve discipline and good order and promote the safety and security of persons and their property within the area of the school's responsibility.

Student lockers are the property of the District, and since random searches have a positive impact on reducing drugs and other criminal activity, it is the policy of the Board to permit the building administrator to search any locker and its contents as the administrator believes necessary. Such notice will be posted in every building.

The use of dogs trained in detecting the presence of drugs is authorized and may be used to patrol the school facilities and grounds, including the lockers and parking areas. Use of dogs may be unannounced and random. If a trained canine alerts to a particular vehicle, locker or other container, it shall create reasonable suspicion to search that vehicle, locker or container in accordance with this policy.

SCHEDULING PROCEDURES

Planning a high school program of study is the joint responsibility of the student, the parent, and the school. Course selection options are to be considered carefully, as the student's final schedule will have a profound impact on future educational opportunities and achievement. Throughout the spring of each school year, students (and parents) will have the opportunity to meet with a guidance counselor to review final schedules and discuss educational and career planning. Parents and students are not permitted to request specific teachers. Schedule changes will not be permitted for teacher changes or teacher requests at any time. Students will be given information on online course registration during 2nd Semester. Course changes will be granted only with **written request by the parent** made prior to the close of the current school year.

STUDY HALLS

Students in study hall will study with minimal talking. Students will ask permission to study with other students. Students, who need to confer with other teachers, make up tests, see guidance, or office personnel will bring a pass to study hall at the start of the period. The student will be released AFTER reporting to study hall.

Students will bring sufficient study or appropriate reading materials with them to remain busy for the period. Students will not bring games, cards, etc. to study hall. Such items shall be subject to confiscation. The use of cell phones and other music devices is up to the discretion of the teacher and may not be used in such a way that disrupts the surrounding students. Sleeping is not acceptable.

Any student who repeatedly violates these guidelines will be disciplined by the study hall teacher. If this does not solve the problem, the student will be referred to the building administrators.

STUDENT FEES

The Building Clerk, where students are to pay fees, is located in the Main Hall across from the Cafeteria. Students may pay fees between **7:00 AM – 3:00 PM**. Many courses have class fees attached to them. **Class fees will not be refunded for dropped classes.** See your homeroom teacher or the Building Clerk, for exact amounts. Checks are made payable to Chardon Board of Education unless otherwise specified.

TARDINESS TO CLASS

A student is tardy if he/she is not in the room when the bell rings to begin the period. Teachers will implement and enforce their own tardy policy. If this does not solve the problem, students will then be referred to the administration for the appropriate discipline. **Students may not receive credit for work missed during an unexcused tardy and/or absence.**

TARDINESS TO SCHOOL

Students who are **tardy to school** must report to the Main Office. Unexcused reasons for tardiness or absences include, but are not limited to: getting stuck in the driveway, oversleeping, shopping, missing the bus, hunting, car trouble, draft registration, babysitting in non emergency situations, running errands. Excessive tardiness will result in progressive discipline moving from detentions to suspension to a court referral.

Progressive Discipline for Tardiness to school

1st/2nd tardy	- Verbal Warning(s)
3rd/4th tardy	- After School Detention(s)
5th/6th tardy	- Wednesday Morning Detention(s) (7:15am-9:00am) Student Services
7th/plus	- Saturday School

Excessive tardies will result in administrative conference and referral to attendance intervention team.

If a student is tardy and fails to report to the Main Office to obtain an entry pass, he/she will be disciplined accordingly.

A student's record of tardiness will accumulate throughout the quarter and will reset to zero (0) at the beginning of the next quarter.

TEXTBOOKS

The school furnishes books to all students. This is done with the expectation that this major investment will be safeguarded. Therefore, all books should be covered. Reasonable wear is expected as a result of daily use, but unreasonable damage will result in the student's being fined. A student must pay for lost books. At the end of the school year, each student is held responsible for the same text he or she was assigned earlier in the year. Report cards may be held for unpaid fines.

THE LEARNING CENTER

Rules established by the library media specialist, as well as those that are part of school policy, are to be followed or the privilege of using the library will be restricted or denied. Food and drinks are prohibited in the Learning Center. Teachers may bring students to the learning center to use computers and common areas. The Learning Center is only open to students at times that the library personnel are on duty.

TITLE VIB FUNDS

Chardon participates with other school districts across the state of Ohio in the identification of children with disabilities, and their subsequent evaluation and placement. Money to provide these services comes from local, state and federal funds. The federal "flow-through" funds are designed to increase and not supplant services financed by local and state funds. Chardon has used federal "flow-through" monies to provide programming for children who have disabilities. "Flow-through" funds provide for psychological services and supplemental equipment.

TOPPER TIME

Topper Time is a dedicated time for Intervention and Enrichment that is available to ALL students. Topper Time runs 3x a week from 10:00-10:30 on 9 week cycles. Students will have the opportunity to suggest Enrichment and Intervention ideas for Topper Time.

Topper Times will include academic intervention labs for all content areas and silent study halls. Other Topper Times will be determined based upon teacher proposals such as Academic help, Intramurals, Videography, Photography, etc. The possibilities are up to students and staff.

Students will sign up using Google forms. Students will then have their selection placed into Infinite Campus for attendance purposes.

Students may also be assigned an Intervention based on Teacher, Parent, Administrator or Counselor recommendation.

Attendance at topper time is mandatory. Failure to attend the scheduled enrichment/intervention time could lead to progressive discipline. (See Rule #2)

TRANSCRIPT POLICY

The student transcript is a summary record of classes completed, final grades, credits earned, grade point average, class rank, attendance, and EOC results. The release of a transcript to an outside entity (college, employer, scholarship committee, etc.) requires the signature of a parent or the signature of the student if he/she is at least 18 years old. For a transcript to be "official," it must be sent directly from Chardon High School in a sealed envelope or given to the student or parent in a sealed envelope with an official signature across the seal of the envelope. Unofficial transcripts will be released anytime to the student or parent upon written request.

TRANSPORTATION

1. Students must get on and off the bus at their assigned stop. **Students are only allowed to ride their own assigned bus to and from school.** Remember that signed notes, not phone calls, are the only acceptable way for students to be permitted to walk or get a ride from a parent. **Students are not allowed to ride home on any other bus but their own (we do NOT allow students to ride the bus to a friend's house).**
2. Additional guidelines concerning appropriate behavior on the bus are included in this handbook.

To maximize the safety of our students and standardize procedures across the state - all bus drivers now use a hand signal for all students to board their school bus. The driver will open the door to activate the red lights, and will have his/her hand raised. The driver will ensure traffic has stopped and then will signal by dropping their hand to let the students know it is safe to approach the bus.

Each student shall be assigned a residence side designated place of safety. Students are to remain at their designated place of safety and are not to proceed to their residence until the school bus has departed. The purpose of the place of safety is to reduce, as much as possible, the potential of a student being injured by a school bus while they are in the process of being picked up or dropped off.

1. Students shall arrive at the bus stop at least 5 minutes before the bus is scheduled to arrive.
2. Students must wait in a location clear of traffic and 20 steps away from the bus stops.
3. Behavior at the school bus stop must not threaten life, limb or property of any individual.
4. Students must go directly to their assigned seat so the bus may safely resume motion.
5. Students must remain seated keeping aisles and exits clear.
6. Students must observe classroom conduct and obey the driver promptly and respectfully.
7. Students must not use profane language.
8. Students must refrain from eating, drinking, and littering on the bus.
9. Students must not use tobacco on the bus.
10. Students must not have alcohol or drugs in their possession on the bus.
11. Students must not throw or pass objects on, from or into the bus.
12. Students must not put head, arms or any object out of the bus windows.
13. Students may carry on the bus only objects that can be held in their laps.
14. Students must leave or board the bus at locations to which they have been assigned.
15. Students may not operate any electronic device that could be deemed distracting to the safe operation of the bus.

*Consequences for breaking these rules are included in the Code of Conduct

VISITORS

To maintain the educational environment, visitors to classes are discouraged. All visitors must report to the Main Office upon arrival at Chardon High School. Any visitor, who needs to transact business at Chardon High School, MUST first report to the Main Office to sign in as required by the Ohio Revised Code.

In rare instances, a student visitor may be allowed. In such cases, the student must adhere to the following procedures. Visitor requests must be made in advance with an administrator and are subject to approval of each teacher with whom a student may be visiting. During the day of visitation, any infringement of school rules by the visitor will result in the Chardon student being disciplined. If deemed necessary, the administration reserves the right to dismiss a visitor.

WITHDRAWAL AND ENROLLMENT - Any student wishing to enroll at Chardon High School may visit the district website (www.chardon.k12.oh.us) to access the enrollment forms. These forms may be submitted online. Any student or parent wishing to withdraw from the Chardon Local Schools should, in the company of a parent or guardian, go to the guidance office of the school involved and complete the necessary forms.

STUDENT RECORDS - When a student transfers from the Chardon Local School District to another school district the following shall apply:

- The Chardon Local School District shall maintain the original documents in the student's folder until such time as the receiving district requests, in writing, the information on the transferring student and the parent or legal guardian has given written authorization for the release of such information to the receiving district. At the time the Chardon Local District will forward copies of the student's records to the receiving school.
- Parents may request copies of the information contained within the child's folder and, upon payment for reproduction of material will receive the copies requested.
- Only personnel approved by the Board of Education should have access to the student's folder.

WORK PERMITS

Ohio Law requires that students under 18 years of age possess a work permit for NON-SEASONAL employment. **Forms are available in the Student Services Office and are processed at the Chardon Board of Education.**

STUDENT CODE OF CONDUCT

(REVISED 02.10.16)

The following is a guide to the Chardon Local School District Board of Education ("Board") Student Code of Conduct ("Code"). The definitions below are intended to clarify disciplinary actions under the Code for both parents and students. The disciplinary actions listed below are not necessarily listed in order of application. Progressive discipline is usually used but administrators have the discretion to assign discipline as they see fit in each individual situation. Parents and students are on notice that, depending on the circumstances, any of the disciplinary actions noted below may result for any Code violation. Depending on the circumstances, first offenses may result in the maximum penalty. Additionally, students who engage in acts which repeatedly violate this Code will be subject to more severe consequences for subsequent violations. The Board shall be entitled to maintain records of each student's misconduct and consider such records in determining the severity of punishment for a violation of this Code. Legal authorities may also be notified when the offense committed constitutes a crime under the law.

DISCIPLINARY ACTIONS

The following is an alphabetical list of possible disciplinary actions which may be taken against students who violate the Code. This list is not all-inclusive and other disciplinary measures beyond those set forth below may be used as appropriate depending upon the circumstances.

Administrative Conference

An administrative conference is an informational meeting between an administrator and a student wherein the administrator investigates a potential disciplinary infraction. If it is determined that an infraction occurred, the student will, often times, receive a verbal warning. No formal notice to the parent/guardian must be given as the result of an administrative conference.

Court Referral

A court referral occurs when school officials file a formal legal complaint with the appropriate court (juvenile or civil). Within two weeks after the disciplinary action is imposed, the Superintendent is required to make court referrals for certain truancy offenses and misconduct involving a firearm, knife, or other weapon that results in the student being suspended, expelled, removed or permanently excluded from school. See Board Policies JEDA and JFCJ. The Superintendent may also make a court referral when a student is suspended or expelled for use or possession of drugs or alcohol. See Board Policy JFCH/JFCI. The parent/guardian is notified of the referral by the court.

Detention

A student that receives a detention must participate in an after-school silent study hall. The student will be given ONE WEEK to complete their detention from the date assigned. At the completion of the week, if the student has not completed the detention a Saturday School Detention will be assigned. The student/parent/guardian is responsible for the student's transportation home after the detention is served. The detention is usually no longer than 60 minutes per day.

Emergency Removal of a Student

If a student's presence poses a continuing danger to persons or property or an ongoing threat of disrupting the academic process, the Superintendent, principal, or assistant principal may remove the student from the premises. A teacher may remove the student from curricular or extracurricular activities under his/her supervision. The student will be released to the custody of the parent/guardian or an officer of the law. The parent/guardian will be notified of this action by phone or in writing within 24 hours of the removal. See Board Policy JGDA.

Expulsion

Expulsion is a formal exclusion from school, school activities, and school property for a period of up to eighty (80) school days or 180 school days per Board Policy JGE. It is issued by the Superintendent upon the recommendation of the administrator. The decision can be appealed to the Board or its designee. Under Ohio law, the decision of the Board or its designee may be appealed to the Court of Common Pleas. The parent/guardian is notified of an expulsion in writing. See Board Policy JGE.

In-School Assignment

An in-school assignment is the forfeiture of a student's right to attend class for one to five days. A student who is assigned an in-school assignment must report to school at the beginning of the day and remain until the end of the day. The student forfeits the privilege of late arrival or early dismissal and must remain on task in a supervised study area. Academic credit can be made up.

Loss of Driving Privileges

In accordance with applicable law and Board policies, the Superintendent shall notify the Registrar of Motor Vehicles when he receives notice of certain truancy offenses and/or misconduct involving a firearm, knife, or other weapon that results in the student being suspended, expelled, removed, or permanently excluded from school. See Board Policies JEDA and JFCJ. Whenever a student is suspended or expelled for use or possession of drugs or alcohol, the Superintendent may notify the Registrar of Motor Vehicles. See Board Policy JFCH/JFCI. The Registrar will impose a suspension on the student's driving permit or license or deny the student the opportunity to obtain a permit or license until it receives notice from the Superintendent that the student has satisfied the terms and conditions established by the administrator to terminate the permit or license suspension or denial of driving privileges.

Out-Of-School Suspension

An out-of-school suspension is the forfeiture of a student's right to attend school, after-school functions, or to be on school property for one to ten days. The student assigned an out-of-school suspension will have the option to complete work for credit during an assigned Saturday School determined by the administrator. Parents are notified of this disciplinary action in writing. The guidelines found in Board Policy JGD are followed for all out-of-school suspensions. A suspension is issued by the Superintendent or Building Principal. The suspension may be appealed to the Board or its designee. Under Ohio law, the decision of the Board or its designee may be appealed to the Court of Common Pleas. See Board Policy JGD.

Permanent Exclusion

In accordance with applicable law, a student who is 16 or older may be permanently excluded from school for the following offenses that occur on school grounds or a school function: (1) conveying or possessing a deadly weapon or dangerous ordnance or carrying a concealed weapon; (2) aggravated trafficking, trafficking in drugs, or trafficking involving the possession of a bulk amount of a controlled substance or the sale of a controlled substance; and; (3) murder or aggravated murder, voluntary or involuntary manslaughter, felonious assault or aggravated assault, rape, gross sexual imposition, or the former offense of felonious sexual penetration, as well as committing these crimes against other students and/or if the victim is a Board employee. In addition, complicity in any of the above acts may also be the basis for permanent exclusion. See Board Policy JEGA.

Removal from Activity/Privilege

A student that is removed from an activity or privilege is banned from participating in a school activity or loses a school privilege for a finite period of time. This action is normally, but not always, related to a violation of the Code while involved in an approved school activity. The parent/guardian is notified of a student's removal from a school activity or privilege by letter or phone. See Board Policy JG.

Removal from Participation in Extracurricular Activities

Participation in extracurricular activities such as, but not limited to, clubs and sports, may be denied as a penalty for violation of the Code. For more serious infractions, removal from participation in extracurricular activities may be issued in conjunction with another disciplinary measure. See Board Policy JG.

Saturday School

Depending on the infraction, the student may attend a Saturday School program from 8:00 a.m. until noon. A set of rules for Saturday School is given to the student when the Saturday School is assigned. Removal from or failure to attend Saturday School will result in consequences that may be disciplinary in nature.

CHS Specific: If a student fails to attend Saturday School or is removed from, he or she will be suspended the next two school days following the Saturday School.

School Service/Restitution

A student may, in the sole discretion of the administrator, provide assistance to the school district, or the community as appropriate, without compensation, in addition to a detention or suspension and in lieu of more serious discipline. This option is available only at the administrator's discretion. See Board Policies JGD and JGE.

Students with Direct Knowledge of Code Violation

Depending on the circumstances, and in the sole discretion of the administrator, any student with direct knowledge of, or who witnesses a Code violation and fails to bring it to the attention of an administrator may be held accountable to the same degree as the student(s) who committed the violation.

Time Out

A time out occurs when a student is removed from a class for the duration of the period due to a violation of the Code. The parent/guardian may be notified of this disciplinary action at the sole discretion of the administrator.

***It is impossible to predict all possible appropriate disciplinary measures. At times, it may be appropriate to assign a student a disciplinary action that is not listed above. This determination is completely within the administrator's discretion, subject to approval of the Superintendent. ***

STUDENT DISCIPLINE CODE

The maintenance of school discipline and proper behavior is essential to the establishment of a proper learning environment. All students are responsible for the maintenance of good discipline within the school setting. A breach of proper behavior/discipline is any student conduct which substantially and materially interferes with the maintenance of a proper learning environment. Behavior which tends to conflict with the education program and/or that is antagonistic to the welfare of other students, the staff and/or the District cannot be tolerated. School authorities cannot accept liability and responsibility for student health, safety and welfare unless students conform to the specified standards of good conduct as set forth herein and as set forth in applicable law.

In order to maintain the proper learning environment for all students, when a student is found to be in violation of this Code it shall be considered a serious breach of proper behavior and disciplinary action will be taken. Regardless of what may be noted in an individual rule, this Code shall be applicable, at all times, at school; on property owned or controlled by the Board; on or off school grounds during a school-sponsored activity, program, extracurricular event, or interscholastic competition; on a vehicle owned or used by the Board or on any school conveyance; and at any other time when the student is subject to the authority of school personnel. In addition, the Code applies to student misconduct that occurs off of school grounds but is connected to a school activity, program, event or competition that occurred on or off school grounds as well as student misconduct against school personnel or the property of school personnel at all times. This includes off-campus internet conduct which has a substantial and material disruption on the education process or which otherwise violates Board policies or applicable law (including but not limited to trademark infringement).

Note: Once students have arrived on school property or in the building in the morning, they may not leave school property. This includes Wednesday (Red Day) morning late start – students must remain on campus once they arrive.

The following is a list of non-exhaustive conduct which may result in discipline, including, but not limited to, suspension/expulsion. This list should not be considered inclusive and other conduct may also subject a student to discipline, including, but not limited to, suspension/expulsion, depending upon the circumstances.

Rule #1 - Disruption of School

Students shall not by use of violence, force, noise, coercion, threat, harassment, intimidation, fear, passive resistance or any other conduct, cause, attempt or threaten to cause the disruption or obstruction of any lawful mission, process, activity or function of the school, nor encourage others to do so.

While this list is not intended to be all inclusive, the following acts illustrate the kinds of misconduct prohibited by the Rule:

- a. continuously making noise or acting in a manner so as to interfere with a teacher's or administrator's ability to conduct a class, meeting, assembly, any school function, or an extracurricular activity;
- b. material disruption of a class, school, school function, operation of the District, meeting, assembly, or extracurricular activity through electronic means or through the use of technological resources, including but not limited to the internet and social media. This applies regardless of whether such conduct occurs on campus or off campus;
- c. occupying any school building, school grounds, or part thereof;
- d. blocking the entrance or exit of any school building, corridor or room therein;
- e. preventing or attempting to prevent by physical act, electronic communication or communication made through technological means, or verbal utterance the convening or continuing functioning of any school, class, or activity or any lawful meeting or assembly on or off school property;
- f. preventing or attempting to prevent students from attending a class or any school-sponsored or related activity or event; and
- g. blocking pedestrian or vehicular traffic on school property or at the site of any school-sponsored or related activity or event.

Rule #2 - Truancy, Tardiness, and/or Class Cutting

A student shall not be truant from an assigned area or from school. Truancy is student absence from school or any assigned area or class for any period of time without authorization from school and parents. Truancy also includes unauthorized tardiness, class cutting or leaving the school campus without the express permission of authorized school personnel. See Board Policies JED-R and JEDA.

Rule #3- Insubordination/Disrespect

Students shall comply with reasonable directives and requests of all school personnel including but not limited to teachers, student teachers, substitute teachers, educational aides, bus drivers, administrators, and persons in authority or supervisory positions. Students shall not intimidate, insult or otherwise abuse, orally, verbally, nonverbally, or in writing, any student, school employee or visitor. This includes but is not limited to any communication made through electronic or technological means (including, but not limited to, the internet and text messages).

Students shall not refuse to accept reasonable discipline or punishment from school personnel including, but not limited to, teachers, student teachers, substitute teachers, educational aides, bus drivers, administrators, and persons in authority or supervisory positions. A student shall not display a defiant and/or disobedient attitude/behavior or refuse to comply with reasonable requests by school personnel. Rudeness, irreverence, discourteousness, disrespect, and insolence will not be tolerated and is cause for discipline.

Rule #4- Public Display of Affection

Students shall not engage in kissing, embracing, or any acts which are sexually suggestive on school property, in a school conveyance, or at a school-sponsored event or activity.

Rule #5 - Hazing, Threatening, Bullying, or Harassing

It is the policy of the Chardon Local School District to provide a learning environment for students that is free from hazing, threatening, bullying, cyberbullying, harassment, sexual harassment and intimidation. Students shall not threaten, haze, bully, cyberbully, harass, intimidate or participate in any act, verbal or nonverbal, that injures, degrades, disgraces or tends to injure, degrade or disgrace any student or school employee. No student shall display racial, religious, or national origin bigotry or intolerance which results in a material or substantial disruption to the school environment or which may reasonably be expected to do so. No student shall violate or urge others to violate the civil rights of any other person.

Hazing means doing any act or coercing another, including the victim, to do any act of initiation into any student or other organization that causes or creates a substantial risk of causing mental or physical harm to any person. Harassment, intimidation, or bullying is any intentional written, verbal or physical act that a student has exhibited toward another particular student more than once and the behavior causes mental or physical harm to the other student and is sufficiently severe, persistent, or pervasive that it creates an intimidating, threatening or abusive educational environment for the other student.

Hazing, threatening, bullying, cyberbullying, harassment, sexual harassment and intimidation also means electronically transmitted acts and/or acts committed through technological means (i.e. Internet, e-mail, cellular telephone, computer, or wireless hand held device) that a student or a group of students exhibits toward another particular student(s) more than once, and the behavior both causes mental and physical harm to another student(s) and is sufficiently severe, persistent, or pervasive that it creates an intimidating, threatening, or abusive educational environment for the other student(s).

It is the policy of the Chardon Local School District to provide a learning environment for students that is free from sexual harassment and intimidation. Sexual harassment is improper, illegal and will not be tolerated within the district. Sexual harassment is defined as unwelcome sexual advances, requests for sexual favors, or other verbal or physical conduct of a sexual nature. Such offensive behavior includes, but is not limited to the following:

- a. Unwanted sexual advances, including propositioning, repeatedly asking someone out for a date after it is clear that the person is not interested,
- b. Submission to sexually based conduct is made either explicitly or implicitly a term or condition of a person's employment or educational development,
- c. Making or threatening reprisals after a negative response to sexual advances,
- d. Non-verbal conduct: leering; making sexual gestures; displaying sexually suggestive objects, pictures, cartoons, or posters,
- e. Verbal conduct: making or using derogatory comments, epithets, slurs, or jokes; making sexually based remarks about another person's or one's own body,
- f. Verbal abuse of a sexual nature, graphic verbal commentaries about an individual's body, sexually degrading words used to describe an individual, suggestive or obscene letters, notes or invitations,
- g. Physical conduct: touching, assault, impeding or blocking movement.

Using the excuse, "I was just kidding," "We were just playing," etc. for inappropriate behavior, words, or actions toward others is unacceptable for the above mentioned actions.

Any member of the school community who believes that he/she has been subjected to, or witnessed hazing, threatening, bullying, cyberbullying, harassment, sexual harassment and/or intimidation is encouraged to report the incident(s) immediately. Students can share concerns regarding hazing, threatening, bullying, cyberbullying, harassment, sexual harassment and intimidation with a teacher, guidance counselor, or administrator. Anonymous reports may be made online using the Chardon Schools website. See Board Policy JFCF.

The report shall be investigated in a timely and confidential manner. While a charge is under investigation, no information will be released to anyone who is not involved with the investigation, except as may be required by law or in the context of a legal or administrative proceeding. No one involved will be discussed the subject outside of the investigation.

If the investigation reveals that the complaint is valid, then a prompt, appropriate remedial and/or disciplinary action will be taken, to prevent the continuance of the harassment or its recurrence.

While each teacher will decide how to handle plagiarism and/or cheating on tests or school assignments within the classroom as it relates to the student's grade, the school will also deal with plagiarism and/or other forms of cheating as a violation of the Code.

Rule #8- Falsification or Misstatement of Facts or Other Information

Students shall not forge the writing of another, falsely use the name of another person or falsify times, dates, grades, addresses, signatures or other data on school forms or school-related correspondences. Student use of personal listening devices (e.g., iPods, CD players, MP3 players) and cellphones will be permitted after school hours only. Except in the case of an emergency, students who need to contact parents during the school day must use the main office phone. Students may have these items confiscated by school personnel if such items cause a "disruption of school." Confiscated cell phones or cameras may be searched for photos, text messages and/or sexting messages if there is reasonable suspicion that such device may have been used in any action that is prohibited by the Code, Board Policy or the law. Consequences may include, but are not limited to, confiscation, possible referral to law enforcement, and any of the disciplinary actions set forth above in this Code. The school is not responsible for lost or stolen electronic devices. No administrative time will be spent searching for these items when they are lost or stolen.

The Chardon Local Schools have adopted the use of **Chromebooks** as a tool for students and staff to help further enhance the curriculum. Guidelines have been designed to help make students aware of the expectations when handling a Chromebook. Misuse of the Chromebook has the potential to earn disciplinary consequences and/or loss of privileges. Students are expected to properly care for and secure their Chromebook both during the school day and outside of school hours. Damage, destruction, or misuse could result in disciplinary action, assigned fees, or loss of privileges. Thorough guidelines will be distributed prior to issuing a Chromebook.

Viewing, possessing, capturing, posting, disseminating, transferring and/or sharing nude, semi-nude, profane, obscene, pornographic, lewd, sexually suggestive, or otherwise inappropriate photographic images, whether by electronic or technological means (including texting, emailing or sexting) or by any other means or format, is strictly prohibited and may constitute a crime under state and/or federal law and shall be reported to the appropriate law enforcement agencies.

Consequences: Note: Any student found supplying, selling, attempting to sell, offering to sell, or attempting to distribute a controlled chemical, drug, or "look-a-like" will be recommended for immediate expulsion (this applies to all offenses including a student's 1st Offense).

1st Offense: 10 day out-of-school suspension (possible referral for expulsion) for possession and/or use and notify the Bureau of Motor Vehicles. In all cases, a police report will be filed when students are found in possession of drugs. If the student enters a treatment program, and the agency verifies in writing, the student's involvement, the suspension will be reduced to 5 days O.S.S., provided that the full 10-day suspension may be imposed if the treatment program is not completed. A completed assessment report should be sent to the principal from the treatment facility and that the recommendations have been followed.

2nd Offense: 10 day O.S.S., referral for expulsion and notify the Bureau of Motor Vehicles. If an expelled student enters a treatment program, and the agency verifies in writing, the student's involvement, the expulsion will be reduced to 10 days out of school. If the student does not complete the treatment program, the expulsion will be reinstated. A complete assessment report should be sent to the principal from the treatment facility and that the recommendations have been followed.

3rd Offense: 10 day O.S.S., referral for expulsion and the Bureau of Motor Vehicles will be notified.

Self-Referral: A student who voluntarily seeks help with a drug/alcohol/substance problem prior to being cited for violation may avoid the imposition of disciplinary action. This provision will be honored if the student voluntarily and fully participates in an assessment and complies with the recommendations of the assessment. Exclusions from participation will occur until the assessment phase is completed.
