**Acknowledgement of Risk**

I understand that skiing and snowboarding are hazardous sports that could lead to potential injury, serious injury, or even death. I acknowledge that I have been instructed that the Chardon High Ski/Board Club and Holiday Valley stress safety at the ski/board area, but that customers pay for and use the ski/board areas, facilities, and services with an understanding that skiing/boarding is a hazardous sport, since hazards and obstructions exist in the ski/board area. I recognize that such hazards exist, whether marked or unmarked, that winter weather involves hazardous conditions, that falls and collisions are common, that injuries can and often do result, and I accept the hazards of the sport and the dangers of injuries incidental to skiing, snowboarding, including negligence on the part of fellow skiers and boarders.

I hereby release Chardon High School, Chardon High Ski/Board Club, the Chardon Board of Education, Holiday Valley, their employees and instructors, and Miss Fisher and any chaperones from any and all liability for injuries or any inconvenience sustained while enroute to Holiday Valley, while at Holiday Valley, or while enroute back to Chardon High School, or while waiting at Chardon High School, including liability concerning rental equipment. I understand that bindings will not under all circumstances prevent or reduce injury, and are not a guarantee of my safety. I agree to reimburse Holiday Valley for loss of or malicious damage to rental equipment.

I understand that I should not ski/board or ride any lift without previously receiving formal instruction from a ski/board school professional, and that beginner areas are clearly marked on maps of the slopes that are posted at the ski/board lodge.

I hereby release Chardon High School, its employees, chaperones, sponsors, and Miss Fisher from any liability or responsibility if I am not on the bus at the correct departure times when at school or at Holiday Valley.
