Classroom Administration

- | | | | |
|--------------------------|---|--------------------------------------|---|
| <input type="checkbox"/> | ċ | Class Charts
View | Class charts - data rich seating plans & behavior management. |
| <input type="checkbox"/> | ċ | Class Flow
View | Design and administer lessons with an integrated teaching and learning system. |
| <input type="checkbox"/> | ċ | Edline
View | Edline is a subscription classroom management tool purchased by the district for teacher, student and parent use. |
| <input type="checkbox"/> | ċ | Edmodo
View | Edmodo is a Facebook-like site that allows teachers to supplement their classes with an online environment. Watch the Demo video to see how Edmodo works. |

<input type="checkbox"/>	ć	Flubaroo View	Grade online assignments in a single step! Get reporting and analysis on student performance! Email students their scores.
<input type="checkbox"/>	ć	Planbook Online View	This is a subscription service that allows a teacher to put lesson plans online (to share or not). Plans can be edited and moved. Planbook also has Common Core Standards built in which can link to the lesson plans.
<input type="checkbox"/>	ć	Schoolology View	Create a learning community that can communicate within that community or outside of that community.
<input type="checkbox"/>	ć	Symbaloo View	Symbaloo allows you to create panels of bookmarks that are visually appealing and easy to find. Each panel can be specific: school, personal, etc.
<input type="checkbox"/>	ć	Teacher Portal View	The WGSD teacher, parent and student portal for attendance, grades, and student records.

General Resources

Categories of digital resources for both teacher and student use.

<input type="checkbox"/>	ć	Answer Garden View	Answer Garden is a new minimalistic feedback tool. Use it as a tool for online brainstorming or embed it on your website or blog as a poll or guestbook.
<input type="checkbox"/>	ć	Boomerang for Gmail View	"I hate when I get an email, and it has a due date for something that is over a week or two away. Why? Because I forget to respond on time! Well Boomerang for Gmail solves that issue! With Boomerang I can tell it to "resend" the email to me at the date I choose so that I have a gentle little fresh reminder to answer or respond!"

<input type="checkbox"/>	ć	Brain Pop View	Create animated, interesting and engaging content for kids to learn.
<input type="checkbox"/>	ć	Dropr View	Create digital online portfolios easily
<input type="checkbox"/>	ć	Easy Bib View	Easy Bib is an information literacy platform that provides citation, note taking, and research tools.
<input type="checkbox"/>	ć	Exit Tix View	Exit Ticket allows you to recognize students' achievements using fun badges in the same way games encourage players to continue.
<input type="checkbox"/>	ć	Geddit View	Check for student understanding.
<input type="checkbox"/>	ć	Infuse Learning View	Facilitating personal learning environments on any device.
<input type="checkbox"/>	ć	Instructables View	Automatically shows all steps in Instructables.
<input type="checkbox"/>	ć	Live Binders View	We created Live Binders so that you could do with digital information what you do with the papers on your desk - organize them into nice containers, like the 3-ring binders on your shelf.
<input type="checkbox"/>	ć	Logo Garden View	Create free logos online.

<input type="checkbox"/>	ć	Lucid Press View	A web-based tool that helps you intuitively produce stunning print and digital newsletters, flyers, brochures, photo books and more.
<input type="checkbox"/>	ć	Nearpod View	Bring the classroom to life with interactive mobile presentations that teachers create and customize themselves.

<input type="checkbox"/>	ć	PDF Zen View	Open and edit PDFs.
<input type="checkbox"/>	ć	Poll Everywhere View	Real time, interactive polling of your classes.
<input type="checkbox"/>	ć	Quick Topic View	Discussion board allows for online discussions in one class or between all of your classes.
<input type="checkbox"/>	ć	QuizBean View	A quiz creator to quickly assess your students.
<input type="checkbox"/>	ć	Remind 101 View	Remind101 provides a safe way for teachers to text message students and stay in touch with parents. It is 100% free and is used by over 500,000 teachers, students and parents to send millions of messages every month.
<input type="checkbox"/>	ć	Sandbox Scripts View	A directory and instruction site for scripts to be used with Google Apps

<input type="checkbox"/>	ć	Skitch View	Get your point across with fewer words using annotation, shapes and sketches, so that your ideas become reality faster.
<input type="checkbox"/>	ć	Snag-It Screen Capture View	The Snagit for Google Chrome™ Extension makes it possible for you to capture screenshots within your Chrome browser.
<input type="checkbox"/>	ć	Socrative View	Give tests, quizzes or just put questions out for conversation. Socrative will record answers for easy assessment.
<input type="checkbox"/>	ć	Sound Gecko View	Whenever you're reading an article and don't have time to finish it you can use the Sound Gecko extension and it will take the entire article and create a recording of it so that you can LISTEN to the article whenever you want!
<input type="checkbox"/>	ć	Storify View	Create a story about anything.
<input type="checkbox"/>	ć	Tag Board View	Create or curate a story using content from social networks on the web.
<input type="checkbox"/>	ć	TechSmith SnagIt View	Take a screenshot and it is automatically saved to your Drive.
<input type="checkbox"/>	ć	Time Glider View	Create timelines for free!
<input type="checkbox"/>	ć	Timer View	Timer Countdown, Alarm Clock, and Stopwatch

-
- ċ TLDR - Too Long Didn't Read
[View](#) It's designed for those really great articles and blogs that we are too long that we just don't have time to read all of it. TLDR will take those articles/blogs and summarize it for you! Awesome, right?

 - ċ Voice Thread
[View](#) Text alone can't deliver the subtlety and expression required for meaningful connection. If text were enough, we wouldn't use emoticons, get on planes, or use web-conferencing software. Voice Threading is a more human way to connect.

 - ċ Word It Out
[View](#) An attractive arrangement of randomly positioned words, where the most important words are bigger than the others.

 - ċ Zamzar
[View](#) Free online file conversion site allows you to convert files to ones that are compatible with Chromebooks, etc.

 - ċ Zydeco Inquiry App
[View](#) Great app for inquiry learning and investigations. See tutorial video at <http://stephschroeder.wordpress.com/2014/02/19/zydeco-inquiry-app/>
-

 **Audio/Music**

- ċ Audacity
[View](#) Audacity is a free, easy-to-use, multi-track audio editor and recorder for Windows, Mac OS X, GNU/Linux and other operating systems. The interface is translated into many languages.

- ċ AutoRap
[View](#) With Smule's proprietary "rappification" technology, AutoRap maps the syllables of your speech to any beat, creating a unique rap every time.

<input type="checkbox"/>	ĉ	Free Music Play View	Tons of free music for kids and teachers to use for presentations and projects.
<input type="checkbox"/>	ĉ	Groove Shark Jukebox View	Play the music you really want, now with all of your friends via our mobile app too!
<input type="checkbox"/>	ĉ	Songza View	Streaming music free.
<input type="checkbox"/>	ĉ	Twisted Wave View	Twisted Wave is a full featured audio editor that allows you to: - Edit audio files from your computer or your Google Drive, - Apply effects, - Save in one of many supported file formats, and export the file back to your disk, Google Drive or Sound Cloud.
