Welcome Letter

Cultivating takes knowledge, work ethics, and relentless effort. Whether gardening, farming, or working towards a new skill-the intentional decisions to yield the outcome we long for takes time, patience, and skill.

We are embarking on the 149th “season” of commencing students and beginning to prepare a season to yield students who are ready to model our mission, vision, and values without disruption.

Our core values are instrumental in everything we do at Chardon High School. These values embody our actions, live inside of the standards, and mirror the expectations that we share in Chardon. The last seventeen months have provided us a time to reflect on many important aspects of school. The one part that keeps ringing in our minds is the value of nurturing ourselves back.

The focus this year will be just that- Nurturing ourselves back to our mission without barriers to hold us back. The time is right to cultivate, and nurture our relationships, our learning, our achievement, our experiences, our mind, our wellness.

I took time this summer to nurture myself, my family, and my energy. The beauty of reflection creates the opportunity to nourish the areas of our lives that weathered many storms. By my nature I am introverted, an active listener, and always preparing.

This ability to self reflect most likely blossomed from my father. Growing up in western Pennsylvania, he worked the fields, mines, and learned the value of respect, empathy, and hard work. He instilled in all of us a passion to focus upon commitment, service, and family.

My parents raised us in Chardon to reflect upon nurturing each other, our community, and personal passions. I can tell you this... Chardon cultivates people who understand the value of hard work, the value of community, and the value of being optimistic regardless of the circumstances.

The last several months have created opportunities for each of us to reflect upon the areas of our lives that we love, and the areas of our lives that need growth. Just as any plant needs the sun, water, and rich soil--we reciprocate that process with shining brightness on others, nourishing each other with kindness and a commitment to serve our neighbor in a community that is rich in tradition and excellence.

This year is ripe for a renewed emphasis on our mission of high achievement for all students with a renewed emphasis on learning. This season is prime for traditions to bloom all over this campus with student activities, and this school year is ours to maximize on the areas that we long to renew: personal relationships, personalized learning, and a commitment to renew our mission, vision, and values.

We are excited to welcome the following Hilltoppers to our school family in the following positions:

Mrs. Amanda Bondi, Assistant Principal
Dr. Brad Hilliard, Health and Physical Education
Mrs. Juliet Peterson, English Language Arts
Mrs. Brandi Giddings, Guidance Secretary
Mrs. Jenny Fay, School Nurse
Mrs. Tina LaCasse, Main Office Secretary
Mrs. Alyssa Smalley, Clerical Assistant

We are very excited to share the talents of these amazing people with each of you! I realize that this summer has been short, and certainly very rainy. Regardless of the weather, celebrate these days with your family and friends!

This comprehensive document is a great reference for you to feel prepared for the school year. See you soon!

Student Handbook

Key Reference Points

ABSENCE FROM SCHOOL AND ATTENDANCE - Regular attendance and promptness to class are necessary for the continuity of learning and the development of good habits. The following are considered legitimate absences from school: personal illness, illness in the family, quarantine of the home, religious holiday, legal obligation, medical appointment, death of a relative, or emergency circumstances which, in the judgment of school authorities, constitute sufficient cause for absence. Doctor's notes may be requested by school authorities if a student accumulates excessive absences. **Parents must call the school when children are absent.** State law requires that the parent be contacted at home or work if the school is not called. An unexcused absence will be treated as a truancy offense and dealt with accordingly. **Please call the high school at 440.285.4057 (press #1) prior to 8:00 a.m.** to report absences. This is available 24 hours a day.

The following are considered excused:

- personal illness
- illness in family
- death of a relative
- quarantine for contagious disease
- court appearances
- observance of religious holidays
- circumstances, which in the judgment of the superintendent of designee, constitute a sufficient cause for absence

Days/classes missed due to the following shall be considered exempt:

- a. **Pre-approved field trips**
- b. **College visitations** (LIMIT of 3 per year; student MUST return with written verification from a college/university official that they were there for a visitation)

ARRIVAL & DISMISSAL

ARRIVAL - Students are expected to arrive at school on time and be seated in class by 7:20 am. If a student is tardy to school, s/he is to report to the office with a note explaining the tardiness. Those students with early morning appointments who arrive late to school must bring verification of the appointment from the doctor. After signing in at the office using CheckMate Plus, the student will report to class. All tardies will be recorded regardless of reason, with the exception of late bus arrivals or severe weather that causes a delay in attendance. Parents who drive students to school are responsible for their promptness. Drivers must make time adjustments to accommodate traffic delays and road conditions. Consequences will be given to the student regardless of the parent's involvement in the tardiness (see Rule #9). A reasonable amount of time is allotted for students to travel from one class to the next. Students should be in their seats when the bell rings. Class tardies will be handled according to each teacher or building policy.

DISMISSAL - There are occasions when a student must leave school early for a medical appointment or some other business which cannot be scheduled outside the school day. When such an occasion occurs, the student must bring a note from home explaining the reason for the early dismissal and the time that the student will be picked up. The student should take the early dismissal note to the office before classes begin. When the student leaves the building, s/he must be signed out by a school official.

ATHLETIC/CO-CURRICULAR ELIGIBILITY - Students involved in **interscholastic athletics and co-curricular activities** must be enrolled in five full value courses, maintain a minimum GPA set forth by [board policy](#) and not receive a grade of F in a course each (9) nine week grading period in order to maintain eligibility, practice, and/or participate. Eligibility for athletic competition is determined by academic performance the preceding grading period. Summer school grades cannot be used to substitute for failing grades received in the final grading period of the regular school year. For more information, please see the Chardon Local School District Board of Education Athletic Handbook.

Expectations of Athletes

- All athletes will abide by training rules as set forth in the athletic handbook.
- Athletes who miss practice the day before a contest are not permitted to play in that contest.
- Athletes are expected to conduct themselves in a manner which will positively reflect on themselves, the team, the

school and the community.

- Athletes are expected to be in school all day when an athletic contest is scheduled. Absence for all or a part of the day of an athletic event may result in the athlete's not being able to participate.
- Athletes are expected to follow the procedures of academic and athletic re-entry pertaining to injuries. Doctor's/School clearance and protocols may be used.
- All athletes are expected to abide by the student code of conduct and the coaches' handbook of athletic conduct.

DIPLOMA LEVELS - To qualify for a **Regular Diploma**, students must successfully complete at least the minimum requirement of 20 credits, including all required courses; earn 18 points on end of course exams in the areas of English/language arts, mathematics, science and social studies.

College Prep Honors Diploma - Must meet at least 7 of 8 criteria:

1. English 4 Units
2. Math at least 4 Units (Algebra I, Geometry, Algebra II and a higher level course or a four year sequence of courses which contains equivalent content)
3. Science at least 4 Units (2 Units of Advanced Science)- See Counselor
4. Social St. 4 Units
5. For. Lang. 3 Units (or 2 units of two different foreign languages)
6. Fine Arts 1 Unit
7. Maintain 3.50 cumulative GPA up to the last grading period of the senior year
8. Obtain a composite score of 27 on the ACT (excluding the optional writing test), or a combined score of 1280 on the SAT verbal and math sections (excluding the required writing section).

Honors Diplomas (ODE)

<http://education.ohio.gov/Topics/Ohio-s-Graduation-Requirements/Honors-Diplomas>

What are Honors Diplomas?

High school students can gain state recognition for exceeding Ohio's graduation requirements through an honors diploma. Students challenge themselves by taking and succeeding at high-level coursework and in real-world experiences. Ohio students have the opportunity to choose to pursue one of six honors diplomas:

1. [Academic Honors Diploma](#)
2. [International Baccalaureate Honors Diploma](#)
3. [Career Tech Honors Diploma](#)
4. [STEM Honors Diploma](#)
5. [Arts Honors Diploma*](#)
6. [Social Science and Civic Engagement Honors Diploma](#)

*includes dance, drama/theatre, music and visual art.

HALL PASSES - In order to get the most out of the educational process, students are expected to remain in class. **Students must first get approval from their teacher prior to signing out with the digital hall pass system. Students have the right (once approved) to go to the following locations using the hall pass system: bathroom, Student Services, Principal's Office, Library- Printing, Social Worker, School Nurse, Speak to a teacher who is available, or lockers. Students MAY not interrupt classes, go to the cafeteria during lunch periods, or wander the halls. Students must carry/wear their lanyard with their student ID while in the hallways. Teacher's may not let more than 2 students out of the classroom; unless the teacher signed out of the class. Students who violate this system may lose the hall pass privilege and/or be subject to school discipline.**
