

Chardon High School will administer end-of-course assessments beginning next few weeks to measure the academic progress of students. State achievement tests tell us how well our students are growing in the knowledge and skills outlined in Ohio's Learning Standards. These tests help guide and strengthen future teaching so we can be sure that we are preparing our students for long-term success in school, college, careers and life.

Which tests will be given for what grade level? ([See the schedule online](#))
